Investor Advantage

The future of wealth creation, your way

We understand that you have big plans for your future, so you need a plan that allows you to make **short-term contributions** and **reap the benefits** once you fulfill your goals.

With **Investor Advantage**, we are offering you access to an investment opportunity that will help you **maximize** on your ability to set funds aside today for your goals in the future.

Overview

Investor Advantage is a savings and investment solution designed to put you in control of your financial future, giving you the opportunity to pay your premium over 1 year and continue to invest over time towards your wealth and accumulation goals. This plan is a perfect vehicle to convert bonuses, inheritance, profits from other investments or simply a parked savings amount into potential returns. It offers built-in health and wellness benefits, and can also be used as a capital investment solution for your small business.

How the plan works

Choose the premium amount that best suits your needs.

Select your payment mode. Payments can be made monthly or annually.

Choose your investment strategy to meet your goals and circumstances.

Understanding what your plan offers; customizing your benefits

Built-in benefit: Second medical opinion

Premium starts at **USD 30,000 a year**

Short-term contribution, long term investment: pay for 1 year and invest till age 95

Customise your plan with a choice of **3 investment** strategies

Portable, Worldwide* cover: This plan will also cover you globally if you leave Bahrain.

**With the exception of sanctioned countries, and other T&Cs apply.*

30-days free look period

Up to **4 free partial** withdrawals per year

Maximum Flexibility

The beauty of Investor Advantage is your ability to tailor-make it to your changing circumstances. Therefore, to leverage favorable market conditions and protect your account value from potential market fluctuations, you have the ability to switch from one investment strategy to another at any time.

Depending on your risk appetite, you can choose to have your contributions allocated to one of our investment strategies: Conservative, Balanced or Aggressive.

The conservative strategy

Designed for investors focused on minimising losses, and who are not prepared to take significant investment risk.

The balanced strategy

Designed for customers focused on capital preservation/modest capital growth, and who are prepared to accept a medium level of investment risk.

The aggressive strategy

Designed for customers focused on capital growth, and who are prepared to take significant investment risk.

You can also increase your contributions anytime during the plan.

NOTE: *The value of your investment portfolio is not guaranteed, and subject to actual fund performance.*

Easy access to one's investments

While it's recommended to stay committed to the plan and allow your investments the time to grow, with Investor Advantage, you would be delighted with the ease by which you can access your money, should the need arise.

With Investor Advantage, you are entitled to four free partial withdrawals per year to help you cover unexpected expenses when you need to. Partial withdrawals are subject to Terms & Conditions and will reduce your account value.

Additional health benefits included

In addition to taking care of your financial well-being, we want to help take care of your health too. This is why this plan offers you built-in benefits to support your health.

This plan provides you with built-in:

Second medical opinion

Our second medical opinion provides access to renowned medical experts if diagnosed with a critical illness.
